RAFFLES & PROMOTIONS

April hath put a spirit of youth in everything. Shakespeare

This month's speaker will be Matt Latham whose topic will be Aquaponics gardening.

A vote will be taken this month on the proposal to eliminate the January meeting which has been canceled for the past several years due to weather and poor attendance.

A motion was made at the Board of Directors meeting to move elections to the month of April due to lack of a quorum at the January meeting (possibly to soon become February), and would like to change the constitution to reflect this. This is the first official posting of this notice. Any discussions at the meeting will be taken under consideration.

We will once again attempt to elect officers for the club. There is a full board in place, but we need to fill the positions of President and Treasurer. Please consider stepping into one of these offices.

If anyone else wants to take part in our annual pond tour in the Southtowns on July 16th 2016, please contact Chris Wilkolaski. We could still accommodate two more stops.

Carol Krajewski has sent out surveys on how we can increase attendance and what YOU would like to see happen in the club. Please respond to these since it's YOUR club.

Next Board Of Directors meeting will be at Tim Moeller's house on Thursday April 28th.

LORRI

At the last Board of Directors meeting it was decided that they would be offering an incentive for members to get more involved.

So any member that does one of the following will receive a ticket to the gift card drawings that occur during the meetings.

Members that volunteer:

- Spend 2 hrs. at a club activity
- Donate to the raffle table
- Attend a Board meeting (non officer)
- Organize a program; i.e. calling tree,
- Arrange a speaker for a meeting night
- Host a Board meeting (non officers)
- Chair a club event
- Sign up for the refreshment table
- Write an article for the newsletter

*****Please note:** We still must sell a minimum amount of \$50 in tickets to cover the gift cards prior to drawing.

Koi of the Month

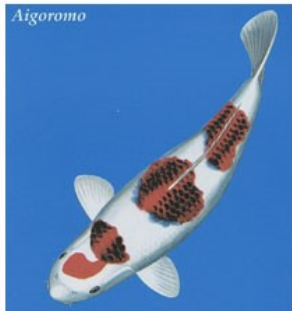

Koromo (KO-Ro-MO)

Koromo (KO-Ro-MO)

These are white koi with a red (hi) pattern on them that is marked with a small amount of black (kuro). They can also be a black pattern that has a small amount of red on the edges. Some people say it may look like a group of grapes on the fish.

Budo Goromo (Boo-Doe-Gor-Omo)
